Garvan Institute of Medical Research is recognised as a world leader in fundamental research aimed at discovering cures or better treatments for a range of diseases.

Scientists at the Garvan Institute of Medical Research conduct fundamental research across five areas: Cancer, Diabetes and Obesity, Arthritis and Immunology, Osteoporosis and Neuroscience.

We depend upon financial support from the Australian community. Every single gift, whatever the size, makes an important contribution to our breakthrough medical research.

For more information about Garvan's work, you are invited to call **1300 73 66 77** or visit **www.garvan.org.au**

The Garvan Research Foundation is the marketing and fundraising arm of the Garvan Institute. ABN: 91 042 722 738

All donations \$2 and over are fully tax deductible.

PROFESSOR JOHN SHINE ~ AO FAA
EXECUTIVE DIRECTOR

Thank you sincerely for your thoughts and generosity at this time.

A fitting way to honour the memory of a special person... and an everlasting gift that could benefit people everywhere.

Your special gift to Garvan today in memory of a beloved family member or friend will enable us to continue our work for generations to come, and help give new hope to sufferers and their families around Australia and throughout the world.

IN MEMORIAM
